Law scholar, Constitutional expert, author

Dear Secret Service Agent,

Please find documents enclosed which have all been given to all of the judges of the Madison County Circuit Courts in Indiana, and to all of the judges of the 7th Circuit Federal District Courts in Indianapolis. This same packet has also been given to the FBI Field Office in Indianapolis and the Federal Marshals Office in Indianapolis, and sent to Mr. Donald Trump. I am sending out these documents and packets and a copy of my book *Demonic Positivism versus the Science of "natural born Citizen"* to you so that you will all be in possession of the objective scientific evidence and knowledge of law which is needed in order that the judges, prosecutors, and Secret Service agents can do their jobs and protect themselves with lawful governmental immunity should Mr. Trump be assassinated, or should he get into Office as a bona fide natural born Citizen President and proceed to prosecute those who are complicit with installing and maintaining a non-natural born Citizen into the Office of President.

You will all need immunity protection from criminal prosecution for the crimes of Misprision of Felony 18 USC 4, Misprision of Treason 18 USC 2382, and Seditious Conspiracy 18 USC 2384. These are the crimes you have all committed over the last 8 years which have fostered the fomentation of rebellion and insurrection within the United States via Presidential elections, in order to overthrow the Constitutional Republic of the United States and maintain a fraudulent non-natural born Citizen usurper in the Office of President, for 8 years now, an act of High Treason which you are all guilty of, and which carries the death penalty under U.S. law. And now you are at it again because both Mr. Cruz and Mr. Rubio are not natural born Citizens either.

If there is any threat of assassination of Mr. Trump, then the Secret Service is one of the prime suspects, on the short list of suspects with the motive to kill Mr. Trump. Please read the enclosed documents, particularly the letter to the federal judges in the 7th circuit District Courts, where I elaborate the situation to them.

Even though you are all prima facie guilty, I suspect that you agents in the Secret Service have not intentionally committed all of these terrible crimes of overthrowing the Constitutional Republic on purpose. But it has indeed happened, and you have illegally and unlawfully maintained Obama in power against the Constitution and rule of law, by

presumably unintentional mistake due to your ignorance of the science of jurisprudence, and your ignorance of U.S. law, which has caused you to not realize or comprehend the scientific and objective definition and meaning of Article II “natural born Citizen”, which proves that Obama is not one, knowledge which would permit you to then do your job to protect the Office of President. Not to protect the ‘man’ who occupies the Office illegally and unlawfully, as it is not your job to protect a fraud like Obama, and maintain him in power against the Constitution, which is what you are all guilty of doing for the last 8 years. This is why, if Mr. Trump is murdered, the Secret Service will be prime suspects in his murder, because you are the ones with a perfect motive to see him eliminated in order to cover-up for your crimes of High Treason.

Personally, I think you are all just victims of the fraud Obama and of the criminal outlaw George Soros and the Chinese Communist government, just as I am, and victims of your own ignorance of the law governing the definition and meaning of Article II “natural born Citizen”. It is George Soros and the Chinese government who backed the overthrow of the Republic through financial support for the fraud Obama. Thus you have been duped into being set up as the fall guys for the murder of Donald Trump or of any legitimate bona fide natural born Citizen candidate (except Hillary Clinton), who decides to run for the Office of President.

### **How to Save Face and Obtain Immunity**

I don’t think this is a very acceptable situation for our esteemed honorable Secret Service agents, who are most likely just victims of the fraud Obama, the same as I am, and just victims of your own ignorance of the meaning and definition of Article II natural born Citizen, which I am personally willing to overlook as a tribute to your years of valid service as lawful Secret Service agents before Obama came on the scene. So, I would like to provide all of you with immunity before the elections, in case Mr. Trump is murdered, or if a legitimate natural born Citizen becomes President (Mr. Trump) and an investigation is begun to discover the truth, which will eventually happen, and then you will all be in a very bad position, having to answer some very embarrassing and humiliating questions, which I do not think you want to have to answer.

Therefore, by providing you all with the law now, you can then say that you did not know but it has just come to your attention, and then you can simply forward the evidence and documents to the appropriate prosecutors at the State and Federal levels, and insist that they immediately investigate my claims and interview me as a witness for the federal judges and federal employees who now wish to get under the Law jurisdiction of Article III, Section 2 and protect themselves with legitimate governmental immunity. Then you will all be covered, and no one will be able to accuse you of complicity in the overthrow of the Constitutional Republic, or complicity in Mr. Trump’s murder, if that should happen. The buck can then pass to the prosecutors’ offices, and it will be up to them to explain themselves, not up to you Secret Service agents. In this way, you will be seen to be patriotic, loyal, competent, and doing your jobs and acting responsibly, and you will all be immunized going forward should a legitimate natural born Citizen President get into Office. You’re welcome.

Please also read the three other documents enclosed. They also document further evidence of criminal obstruction of justice and documents how Obama's illegal presence in the Office of President is interfering with the administering of the legal system and preventing it from functioning at the State level.

I have also written a book entitled *Demonic Positivism versus the Science of "natural born Citizen"*. The book further documents the criminal political activity occurring in the federal courts which I encountered when I sued Obama TWICE in federal court (7th Circuit starting in 2013, case cites in the book), and explains the science of jurisprudence and the U.S law which all together define what a natural born Citizen is, as the legitimated offspring of a U.S. citizen father from a State of the Union, and that is all. This can be your proof that you did not know and you just have become enlightened by the book which I donated to you, as if you then act upon the information in a timely and responsible fashion, then it will immunize you and protect you from fallout going forward should Mr. Trump be assassinated, or should he survive and become President, then you will all be immunized from the wrath of a bona fide natural born Citizen President.
